

Curriculum Vitae

Name

João Miguel Ganhão Nunes Martins

Front-End Developer / Graphic Designer

Html, Css, Js, Jquery, Bootstrap, Photoshop, Illustrator

I can work both as conceptualist designer and as a developer, on stand-alone basis, as a team member or supervisor. I can bring experience and I always have a look out to new technology and frameworks. As a person I like to read, see a movie and to be sport active. For me communication and share are strong values to have at work and in life.
